PRELIMINARY AMENDMENT

Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

Dear Sir:

Please amend the above-identified application as follows:

IN THE SPECIFICATION:

Substitute the attached pages containing the sequence information for SEQ ID NOS: 22, 39, 41, 43 and 45 for the corresponding pages submitted with the Sequence Listing in the preliminary amendment filed on June 10, 1993.

REMARKS

This preliminary amendment is submitted to correct the sequence listing which was submitted on June 10, 1993. In that submission the amino acid sequence corresponding to SEQ ID NO: 22 was incorrectly entered into the PatentIn program so that the sequence appearing under the Information for Seq ID NO: 22 was incorrect. This sequence has been corrected on the attached substitute page and in the computer readable file 1808-118.SEQ,
